

Year 1 Newsletter

Spring 1—2025/2026

Notices and Reminders

- Home learning is set every Friday and is due in the following Friday.
- Please read 5 times a week with your child. Books are changed every Friday.

Phonics

The children will be learning alternative spellings for previously taught sounds:

/ai/ <a>, <ey>, <ea>, <eigh>, /ar/ <a> /ee/ <e>, <I>, <y>, /ur/ <or>, /ur/ <ear>, /oo/ <ou>, /oa/ <ou>, /ee/ <ie>, /v/ <ve>, /i/ <y> ,/air/ <are>, <ere> , <ear>, /ch/ <ch>

The children are learning to read the harder to read and spell words:
here, sugar, friend, because.

Key dates

5th January - Inset day
 6th January - 1st Day of Spring term 1
 23rd January - FOG - break the rules day.
 11th February - FOG school disco
 13th February - Last day of Spring term 1
 16th - 20th February - Half Term
 17th - 23rd March - Book Fair
 27th March - Last day of Spring term 2.

Writing

This half term in writing, the children will be learning some stories by heart following the talk for writing approach. They will have the opportunity to create their own simple text maps before writing their own versions of each text. The texts the children will learn are:

- Brave Knights (non-fiction)
- The Magic Porridge Pot

Maths

This half term in maths, the children will be learning about place value with numbers up to 20 and addition and subtraction.

They will use resources such as counters, tens frames and part-whole models to support their understanding of these concepts.

Science

In science the children will be learning about animals. They will be learning how to classify animals into their given groups. They will spend time, identifying and naming animals that are carnivores herbivores and omnivores. They will learn about us as humans. They will learn the different body parts and how our five senses link to these body parts.

Mammals Birds Reptiles Fish Amphibians

History

In history the children will be learning the answer to the big question - How did Rosa Parks help change society? The children will be learning what history is, what chronology is and will be looking at artefacts from the past. The children will learn about incidents in both the USA and the UK and compare them.

Art

In art this term, the children will be learning about primary and secondary colours and the colour wheel. They will be looking at a specific type of art called surrealism. They will focus on two surrealist artists; Joan Miro and Lenora Carrington. They will then be replicating a piece of artwork by one of these artists.

PE

In PE this half term, the children will be learning how to roll in different ways. They will learn to do a front and back support and how to jump from one foot and two feet and land on one foot or two feet. They will finish the term by completing a gymnastics sequence.

Music

In music this half term, the children will be learning that every piece of music has a musical heartbeat. In music, they will learn that it is called the 'pulse' or the 'beat' of the music. The children will sing, play and practice composition. They will then take part in a mini classroom performance of their learning.

PSHE

In PSHE this half term, the children will be learning about who is special to them. They will explore what a family is, learning that families can look different and care for each other. The children will also learn about belonging, identifying groups they are part of, such as family, school and clubs. They will learn who their trusted adults are and understand that they can talk to them if they ever feel worried or unhappy.
