

Spring Term Clubs 2025-2026

Dear Families,

Here at the Grove, we are able to offer a number of active, calm and musical clubs for the children in the Spring Term. Please see the timetable below which will give you detail about the clubs, including start/finish times and dates. We have a range of school run clubs which cost £3 per session and external clubs which cost between £5—£10 per session. For school led club, once your child has attended two sessions we will not be able to provide a refund if they subsequently decide they no longer wish to attend that club.

If the school receives **Free School Meals funding** for your child, please contact Mrs Cooper at the school office by **14th January** to book your child onto one school led club free of charge. After this date we cannot guarantee a space for your child.

For school run clubs,
sign up information will be sent in due
course.

**If a club falls on parents evening, please
try to book your appointment after the
club has finished. Children will be ex-
pected to attend.*

Basketball - Kidz B-Ballin
